

Post-It Note Night

We are missionaries. Mission isn't what we do, it's who we are. We are sent by God to restore all things to himself. God sent his Son, Jesus, to earth to take on human form and live within the culture. He worked, ate, and interacted among people, living in such a way that those around him could see and experience what God was truly like. Jesus came so that all people, places, and things could be restored to a right relationship with God. In the same way, we believe we are missionaries sent into our culture to restore all things to God through Jesus.

- John 1:14
- John 20:21
- 2 Corinthians 5:17-21
- Colossians 1:19

We are missionaries to all the people around us - neighbors, co-workers, friends and family, any not-yet-believer God has brought into our life. And God sends us "on mission," giving us opportunities to grow in relationship with those people, sharing the gospel with them, and help them experience who God is and what he is like.

This Post-It Note Night is meant to help us identify who those people are, what opportunities you've had with them, and what next steps might be. Together as an MC family, then, we can join together in praying for those people, following up on those relationships, and even engage in those missional opportunities together.

You'll Need

- Post-It notes (enough for each person in your MC to use 3-5)
- Pens

How to Do It

- Spend some time filling them out (3-5 per person). Include
 - Name(s)
 - Your relationship to them
 - Any brief parts of their story that you already know
 - Next steps - for you in your relationship with them, and for them in their relationship with God
- Have each person go around, stick up their notes, and share about the people on them
- At the end of the night, pray for those people and the missional relationships that have been shared
- Record the information from all the Post-It Notes, and make shareable with your MC
- Follow up over time to see what God is doing in these missional relationships!
